Music & Arts Festival

Festival Guide

Imagine is an arts collective based on Orcas Island, Washington. Entering our 10th year of production, we strive to create new forms of celebration and community by showcasing inspiring art, music and new ideas in our Festival and producing multiple shows in Seattle throughout the year.

Imagination is the birthplace of the world. Our ideas and beliefs weave the tapestry of our collective reality. We live in an age where ideas are in flux and culture can change at any turn. This is our chance to dream the world we want to live in.

It is our belief that the way in which a culture celebrates is a reflection and reinforcement of the spirit of its people. Our intention is to create celebration that honors the values of community, tolerance, kindness, friendship, compassion, dignity and integrity.

Celebrating our 10th year of Imagine production, we are thrilled to expand to a global scale with a 2026 inaugural gathering in Chiang Mai, Thailand.

Doe Bay Resort & Retreat

Doe Bay Resort is a beautiful rustic resort on the far corner of Orcas Island. It is a private business located in a rural, residential neighborhood and we are using many of the neighbor's land. The resort and their neighbors have welcomed us here and it is our intention to come as if we are entering someone's home. Our goal is to seek refinement in art and music and to find a balance of power and beauty. Imagine is a place to make connections. It is a place for the practice of moderation and personal depth. Please bring an attitude of respect and kindness. The island has been kind enough to let us be here for our 10th year. Together we can leave it better than we found it.

Spa

The clothing-optional sauna & hot tub spa will be open from 10am to 9pm each day of the festival and is open to to all Imagine attendees for a fee of \$20. Relax and renew by a waterfall overlooking the sound! For cleanliness, and in respect of others, please be sure to use the spa shower before using the sauna or hot tubs – every time.

Doe Bay Cafe

Affordable, nutritious options for food while at Imagine. At the heart of the property is the Doe Bay Cafe, which serves a delicious seasonal pescatarian menu, with lots of veggie and vegan options. Many of their ingredients are sourced locally, or grown in their own garden.

Showers & Toilets

There are two community bathhouses with showers on-site. There are several public bathrooms as well as many portotoilets.

Massage

Doe Bay has several massage therapists available during Imagine. Please contact front desk or call 360-376-2291.
